

## Lions Club Nijkerk supports The Float Foundation

The Lions club Nijkerk held its annual charity dinner on the 12th of October 2017. A dinner for about 160 people (completely sold out) where, in addition to a great evening, an auction was conducted to raise money for charity. All this for two preselected charities one of which being The Float Foundation.

On the 15th of November 2017 we received a check for € 4.635,== for our orphanage in Cambodia. A great amount that we will naturally spend according to our motto: Every € to the charity!

**Lionsclub Nijkerk, our heartfelt thanks.**

The Float Foundation
